GPA: N/A

Relevant Experience

University Of South Carolina – Columbia, SC

CSCE 145 Student August 2024 – December 2024

- I created a project in the Java coding language that'll let play a game of Rock, Paper, Scissors against an AI.
- I created an adventure game in the Java coding language.
- Created a project in the Java coding language that will have you enter the velocity of the ball and the time it will take for the ball to reach to its destination and the program will calculate the final velocity of the ball and distance traveled by the ball.

Mount Moriah Baptist Church – Hopkins, SC

Volunteered work June 2024 – July 2024

- I organized special events like summer camps for the kids and Back to School bashes for the church.
- I helped create props for whenever the church has plays like Christmas and Easter.
- I cleaned around the church if needed.

Skills

- Spanish
- Java and Python
- Eclipse, PyCharm, and Visual Studio
